

ACTIVITY SESSION 6

Project Manager. SARA

Software Designer. CARLOS

Game Designer. JULY

SARA: Good morning team. Thank you for joining today's call. Today we will discuss issues concerning the start of the video game, Carlos tell us how the development of the video game is going.

CARLOS: Good morning team. Sure, we have completed the multiplayer backend.

YULI: Hello team good morning, for my part we have finished the animations and we are fine tuning the last details.

SARA: I am very happy to know that we have advanced with those details, what tasks are we still missing for this week?

CARLOS: For next week we will need to integrate the game with the web page.

YULI: Okay, let's work on this together.

SARA: Excellent, does anyone have any other concerns or updates they would like to share before we finish?

YULI: None from my side.

CARLOS: None from me either.

SARA: Perfect. In that case, let's wrap up today's meeting. Thank you both for your updates and collaboration. Have a good day and keep up the good work.

YULI: Thank you very much, have a good day.

CARLOS: Thank you good day!
